CALENDAR

Planning analysis and specification tools, and the process of effective user computer interface design	9–12 October 1990 Loughborough, UK	Ms Jackie Baseley, HUSAT Research Centre, The Elms, Elm Grove, Loughborough, Leics LE11 1RG, UK
The many faces of design	9–12 October 1990 Nottingham, UK	Professor John Lansdown, Centre for Advanced Studies in Computer, Art and Design, Middlesex Polytechnic, Cat Hill, Barnet, Herts EN4 8HT, UK
International design history conference	7–9 December 1990 London, UK	Ms Elizabeth Farrelly, V&A/RCA Course Rooms, Victoria and Albert Museum, South Kensington London SW7 2RL, UK
Building environmental performance – BEPAC	10–11 April 1991 Canterbury, UK	Ms Elaine Baker, BEPAC Secretariat, BRE Garston, Freepost, Watford WD1 1QQ, UK
1991 International symposium: Society for Information Display	6–10 May 1991 Anaheim, CA, USA	Society for Information Display, c/o Palisades Institute for Research, Services Inc, Room 1140, 201 Varick Street, New York, NY 10014, USA
First international conference on artificial intelligence in design	25–27 June 1991 Edinburgh, UK	Ms Jane Skinner, Butterworth-Heinemann Ltd, PO Box 63, Westbury House, Bury Street, Guildford, Surrey GU2 5BH, UK
International conference on computer aided engineering education	3–6 September 1991 Prague, Czechoslovakia	Mr Zbynek Pitra, Czech Technical University, K237, Suchbatarova 4, 166 07 Prague 6, Czechoslovakia
Systems thinking in Europe	13 September 1991 Huddersfield, UK	Mr Barry Blackham, School of Computing and Mathematics, The Polytechnic, Queensgate, Huddersfield, Yorks HD1 3DH, UK
IFAC/IFIP/IMACS symposium on robot control syroco 91	16–18 September 1991 Vienna, Austria	Austrian Center for Productivity and Efficiency (OEPWZ), Rockhgasse 6 A-1014, Wien, Austria

SUBJECT INDEX

A

'Semantics' of visual design: the care and feeding of studio projects within a communication-theory context, 141
Architecture students: measuring design aptitude, selecting landscape, 89
Architecture, le Corbusier's design for the Carpenter Center: a documentary analysis of design media in, 164
Architecture: a complete action, teaching, 81
Artificial intelligence techniques, engineering design education: the potential offered by, 212
Australia, changing design in, 48

B

Back to the future with CAD: its impact on product design and development, 207

C

CAD: its impact on product design and development, back to the future with, 207
Carpenter Center: a documentary analysis of design media in architecture, le Corbusier's design for the, 164
Changing design in Australia, 48
Creativity, necessary conditions for design expertise and, 107
Creativity, prior knowledge in design: a dynamic knowledge-based model of design and, 17

D

Decision-making, task environment versus institutional environment: understanding the context of design, 29
Depending on everyone, 187
Design aptitude, selecting landscape architecture students: measuring, 89
Design ability, nature and nurture of, 127
Design and science, 43
Design education in the information age, 202
Design expertise and creativity, necessary conditions for, 107
Design in Australia, changing, 48
Design, myth and maturity: towards a new order in the decade of, 195
Design: a dynamic knowledge-based model of design and creativity, prior knowledge in, 17
Design: the care and feeding of studio projects within a communication-theory context, 'semantics' of visual, 141

E

Education: the potential offered by artificial intelligence techniques, engineering design, 212
Engineering design education: the potential offered by artificial intelligence techniques, 212
Environment: understanding the context of design decision-making, task environment versus institutional, 29

F

Function sharing in mechanical design, 223

I

Ideology, culture and the design studio, 10

Industrial design students, innate design abilities of first year engineering and, 96
Information age, design education in the, 202
Innate design abilities of first year engineering and industrial design students, 96

L

Le Corbusier's design for the Carpenter Center: a documentary analysis of design media in architecture, 164

M

Mechanical design, function sharing in, 223
Myth and maturity: towards a new order in the decade of design, 195

N

Nature and nurture of design ability, 127
Necessary conditions for design expertise and creativity, 107

P

Pattern language and its enemies, 3
Prior knowledge in design: a dynamic knowledge-based model of design and creativity, 17
Product design and development, back to the future with CAD: its impact on, 207

S

Science, design and, 43
Selecting landscape architecture students: measuring design aptitude, 89
Studio projects within a communication-theory context, 'Semantics' of visual design: the care and feeding of, 141
Studio, ideology, culture and the design, 10

T

Task environment versus institutional environment: understanding the context of design decision-making, 29
Teaching architecture: a complete action, 81

W

Women designers – is there a gender trap?, 114
